2026

North American Fetal Therapy Network
www.naftnet.org

Introduction

The North American Fetal Therapy Network (NAFTNet) is a voluntary association of 57 medical centers across the United States, Canada, Mexico, Europe, and South America, dedicated to advancing in-utero fetal therapeutic procedures. Our multidisciplinary teams include specialists in maternal-fetal medicine, pediatric surgery, neonatology, pediatric cardiology, fetal imaging, and more, working in both academic and community settings to foster collaboration and research in fetal therapy.

We invite you to join us as an exhibitor or sponsor at the 2026 NAFTNet Fall Meeting in Chicago. This is your opportunity to engage directly with leaders in fetal therapy, highlight your products and services, and support the advancement of maternal-fetal care.

NAFTNet's Mission

The Primary Mission of the North American Fetal Therapy Network (NAFTNet):

- To provide a cooperative clinical research network to study the natural history of fetal disease
- To develop therapeutic prenatal interventions to improve outcomes

The Secondary Mission of North American Fetal Therapy Network (NAFTNet):

- To function as an educational resource for patients and healthcare providers
- To train future leaders in clinical and basic science research in the field of fetal intervention

How the Sponsorship Benefits You

Sponsoring a NAFTNet event offers a powerful opportunity to elevate your company's presence while contributing to meaningful progress in maternal-fetal medicine. Your brand will receive unmatched visibility throughout the event, ensuring strong and lasting recognition among attendees. You'll also gain direct access to an engaged audience of leaders and innovators who are shaping the future of fetal therapy, creating valuable relationship-building opportunities. Most importantly, your support helps advance the field and contributes to NAFTNet's mission—positioning your organization as a committed partner in improving outcomes for mothers and babies.

Increased Brand Exposure

The audience includes both academic and community-based practitioners, ensuring broad reach for your brand..

Enhanced Customer Engagement

Attendees represent 57 leading fetal therapy centers in the US, Canada, Mexico, Europe, and South America

Networking and Business Growth Opportunities

Most attendees are decision-makers or key influencers in clinical practice, research, and hospital purchasing.

NAFTNet

North American Fetal Therapy Network

Sponsorship Tiers & Packages

NAFTNet offers a range of sponsorship packages. Platinum, Gold, Silver, and Bronze. All designed to provide meaningful visibility and engagement opportunities for industry partners. Each level includes valuable benefits such as brand promotion across meeting materials, exhibit space, complimentary registrations, digital advertising, and recognition throughout the event. Whether you're seeking premier exposure or a strong presence among leaders in fetal therapy, these packages offer flexible ways to align your organization with innovation, collaboration, and the advancement of maternal-fetal medicine.

Platinum Sponsor

\$20,000

Position your organization as a premier partner of the NAFTNet Fall Meeting. Platinum Sponsors receive the highest level of visibility and engagement with leaders in fetal therapy.

Gold Sponsor

\$15,000

Gain strong visibility among NAFTNet's network of fetal therapy experts and decision-makers.

Silver Sponsor

\$10,000

Build awareness of your organization among leaders in fetal therapy and maternal-fetal medicine.

Bronze Sponsor

\$5,000

Demonstrate your support for advancing fetal therapy research and collaboration.

Sponsorship Details

Platinum Sponsor - \$20,000

Position your organization as a premier partner of the NAFTNet Fall Meeting.

Benefits include:

- Premier logo placement on the meeting website, signage, and program materials
- Verbal recognition during the meeting
- Opportunity to provide brief welcome remarks or introduce a session (if applicable)
- Prime exhibit table placement
- Five (5) complimentary meeting registrations
- Full-page advertisement in the digital meeting program
- Dedicated sponsor recognition on NAFTNet social media
- Sponsor spotlight in a NAFTNet email communication
- Recognition on presentation slides between sessions
- 15-20 min speaker and educational talk opportunities

Gold Sponsor - \$15,000

Gain strong visibility among NAFTNet's network of fetal therapy experts and decision-makers.

Benefits include:

- Prominent logo placement on the meeting website, signage, and program materials
- Exhibit table at the meeting
- Four (4) complimentary meeting registrations
- Half-page advertisement in the digital meeting program
- Sponsor recognition on NAFTNet social media
- Recognition on presentation slides between sessions

Silver Sponsor - \$10,000

Build awareness of your organization among leaders in fetal therapy and maternal-fetal medicine.

Benefits include:

- Logo placement on the meeting website and program materials
- Exhibit table at the meeting
- Two (2) complimentary meeting registrations
- Quarter-page advertisement in the digital meeting program
- Recognition on presentation slides between sessions

Bronze Sponsor - \$5,000

Demonstrate your support for advancing fetal therapy research and collaboration.

Benefits include:

- Logo placement on the meeting website and program materials
- One (1) complimentary meeting registration
- Recognition on presentation slides between sessions

Custom sponsorship opportunities are available. To participate as an exhibitor only there is a \$3,000 fee which includes 1 complimentary registration and an exhibitor table.

Additional Sponsorship Opportunities

Sponsored Breakfast Session - \$10,000

Exclusive sponsorship of one breakfast session

Recognition in agenda and on-site signage

Opportunity for brief welcome remarks (2–3 minutes)

[Materials and messaging must be approved by NAFTA Net Board]

Logo visibility during the session

- Food & beverage costs not included; sponsor responsible for catering

Sponsored Lunch Session - \$15,000

Exclusive sponsorship of one lunch session (approx. 200 attendees)

Recognition in agenda and on-site signage

Opportunity for brief welcome remarks (2–3 minutes)

[Materials and messaging must be approved by NAFTA Net Board]

Logo visibility during the session

- Food & beverage costs not included; sponsor responsible for catering

Sponsored Reception - \$20,000

- Exclusive sponsorship of the official conference reception

- Prominent logo placement:

- Reception signage
- Bar areas / food stations
- Event program / agenda

- Verbal recognition during reception welcome

- Opportunity for brief welcome remarks (2–3 minutes)

[Materials and messaging must be approved by NAFTA Net Board]

- Option to provide branded napkins, cups, or giveaways (subject to approval)

- Enhanced networking visibility with attendees

Food & beverage costs not included; sponsor responsible for all reception catering through the venue

Educational talks and speaking opportunities are reserved for Platinum sponsors or require an additional upgrade fee.

Custom sponsorship opportunities are available.

Fetal Therapy Week!

For the first time ever, the Fetal Therapy Nurse Network (FTNN) and NAFINet will host meetings during the same week, offering a unique opportunity to connect with and support both organizations during Fetal Therapy Week.

FTNN Annual Conference

October 13-14, 2026

NAFINet Fall Meeting

October 15-16, 2026

Hyatt Regency McCormick Place

2233 S Martin Luther King Dr

Chicago, IL 60616

Combined Package

Fetal Therapy Week

Fetal Week Premium Sponsor

\$23,500 (\$2000 discount)

Fetal Week Standard Sponsor

\$17,500 (\$1500 discount)

Fetal Week Supporting Sponsor

\$12,000 (\$500 discount)

All combined packages include access to the whova app

FTNN

NAFTNet Webinar Sponsorship

Connect with Leaders in Fetal Therapy and Maternal-Fetal Medicine

The North American Fetal Therapy Network (NAFTNet) Webinar Series connects sponsors with a highly targeted audience of fetal therapy and maternal-fetal healthcare professionals.

NAFTNet webinars feature expert-led discussions focused on advancing fetal therapy research, education, and patient care.

Webinar Sponsorship Package - \$3,500

Sponsorship Includes:

- Exclusive webinar sponsorship recognition
- Company logo featured on:
 - Webinar registration page
 - Promotional emails
 - Webinar slides
 - NAFTNet webinar webpage
- Verbal recognition during the webinar
- Opportunity to provide one promotional PDF or digital handout
- Complimentary attendee list including names, titles, organizations, and email addresses (subject to attendee consent)
- Recognition on webinar recording archive, when applicable

Webinar Audience

Attendees may include:

- Maternal-Fetal Medicine Specialists
- Pediatric Surgeons
- Neonatologists
- Fetal Cardiologists
- Nurses and APPs
- Sonographers
- Researchers and Trainees

NAFTNET WEBINAR SERIES

Topic : Fetal & Placental Tumors: Surgical Innovation at the Maternal-Fetal Interface

📅 Wednesday, June 3, 2026
🕒 6:00PM - 7:30PM EST
📍 Zoom Webinar

MODERATOR
Mounira Habli, MD
Director, TriHealth Fetal Center and MFM Division of CCHMC; Fetal Care Center of Cincinnati; Good Samaritan Hospital

MODERATOR
Hiba Mustafa, MD
Maternal-Fetal Medicine; Riley Children's and Indiana University Health

MODERATOR
Raphael Sun, MD
Pediatric Surgeon; Associate Professor of Surgery; Oregon Health & Science University

SPEAKER
Chris Derderian, MD
Pediatric Surgery/Fetal Surgery; Colorado Children's Hospital

SPEAKER
Nahla Khalek, MD, MPH
Maternal Fetal Medicine; Director of Outpatient Services; Children's Hospital of Philadelphia

SPEAKER
Sundeep Keswani, MD
Pediatric Surgery; Texas Children's Hospital

NAFTNET WEBINAR SERIES

Topic : Challenging Case Presentations of Non-Immune Hydrops and the Role of Fetal Therapy

📅 Wednesday, February 12, 2025
🕒 6:00PM - 7:30PM EST
📍 Zoom Webinar

Hosted by:
Mounira Habli, MD
Hiba Mustafa, MD

SPEAKER
Nahla Khalek, MD, MPH
Maternal Fetal Medicine Specialist; Director of Outpatient Services; Children's Hospital of Philadelphia

SPEAKER
Kenneth J. Moise Jr, MD
Director, Comprehensive Fetal Care Center at Dell Children's Medical Center; Austin, Texas

SPEAKER
Anita Moon-Grady, MD
Pediatric Cardiologist; Director, Fetal Cardiovascular Program; University of California, San Francisco

Don't miss NAFTNet's first educational webinar of 2025!

Thank you for supporting NAFTNet's mission to improve outcomes through collaboration, education, and research in fetal therapy.

Support NAFTNet's Research

The William J. Polzin \$50,000 Seed Grant

The William J. Polzin \$50,000 Seed Grant reflects NAFTNet's commitment to advancing bold, forward-thinking solutions. For the past several years, NAFTNet has provided seed funding to support groundbreaking research and innovation with real-world impact.

Recent funded projects include:

- 2023: ***Creation of a Novel, Synthetic Amniotic Fluid for Use in Fetal Therapy – In Vivo Testing***
Cincinnati Children's | Braxton Forde, MD
- 2024: ***Advancing Fetoscopic Repair: Precision Prediction via Morphometrics and Amniotic Fluid Cell Multiomics in Spina Bifida Lesions***
University of Texas McGovern Medical School at Houston | Lovepreet K. Mann, MD
- 2025: ***Evaluation of In Utero Gene Therapy for Canine Krabbe Disease***
Cincinnati Children's | Laura Galganski, MD

These investments demonstrate NAFTNet's role in catalyzing innovative, early-stage ideas with the potential to evolve into transformative solutions.

Why Sponsor?

- Elevate Your Brand: Align with innovation and leadership in a mission-driven initiative
- Reach Decision-Makers: Engage NAFTNet's network of industry, academic, and institutional leaders
- Showcase Leadership: Gain visibility across NAFTNet programs and events
- Drive Impact: Directly support cutting-edge research and innovation

Program Overview

The \$50,000 Seed Grant supports high-potential, early-stage projects with strong potential for scalability and meaningful impact.

Partner With Us

By sponsoring the Bill Polzin Seed Grant, your organization helps advance breakthrough ideas and strengthen the future of innovation.

Testimonial

"The NAFTNet Polzin Research award helped establish me as researcher in Fetal Gene Therapy.

In the current funding environment, it is incredible to have the Polzin Award available to continue advancing fetal research."

-Dr. Laura Galganski
3rd Annual Bill Polzin Grant
Recipient

Testimonial

"The Polzin award was absolutely critical in the success of my research career. By providing seed funding for my translational research, it allowed me to create the final formulation of a synthetic amniotic fluid and pursue patenting. Additionally, it helped fund preclinical models of my research, paving the way for clinical application."

-Dr. Braxton Forde
Inaugural Bill Polzin Grant
Recipient
